Statement

Dear Sir:

I, Ann-Christine Eriksson, state that I am an inventor in the above-captioned application and one of the inventors of the subject matter claimed therein. I signed a Combined Declaration and Power of Attorney on October 10, 2004 which was subsequently filed at the United States Patent and Trademark Office without the page containing my signature. I state that the error in inventorship occurred without deceptive intent on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Ann-Christine Eriksson
